

Open tender – Foundation Fitness

Opening date: Thursday 10th June 2021

Closing date: All tenders to be submitted to john.davis@clubdoncasterfoundation.co.uk by 5pm - 20th June 2021

Brief/response from interested companies: All organisations must submit their fully costed proposals for the work to be completed, with timescales for completion. All costs are to be inclusive of VAT.

Successful applicant(s): All tenders will be assessed by 2 members of the senior management team and a trustee of the organisation. Submissions will be scored on the basis of; best performance in alignment to the brief, value for money/quality of product provided and implementation timeline efficiency.

Project brief: The project looks to address the following areas of the Foundation Fitness community gym to modernise it and enable amendments to get the best out of the space available:

Gym area brief: to provide a clean and fresh environment for people to exercise in.

Contractors to quote on the following:

- Paint & décor of gym area, inclusive of options aligned to associated colour scheme and floor, while getting the best out of the space available.
- Repositioning equipment where required.

Reception/coffee area brief – to provide a warm and comfortable area for people to enjoy refreshments following their gym session/activity.

Contractors to quote on the following:

- Painting of walls/repairing of any damage from removed pictures signs.
- Reconfiguration of area inclusive of table/chairs provided to deliver the service.
- Proposal to highlight how we get the best out of the space available.

Changing room brief: to get the most out of the space while refurbishing areas that require it.

Contractors to quote on the following:

- Tidy up/repair existing changing rooms, particular emphasis on showers/flooring.
- Remove solarium, installing new changing space and lockers in this area.
- Refurbishment of steam & sauna areas.
